(de escalation, restraint, alcohol)

Initiatives like “One too many”

According to EASA, there's a concerning trend: a flight's safety is at risk every 3 hours due to unruly passengers within the EU.

And in at least 70% of these cases, aggression is involved, often targeting women.

- Increase in unruly passenger behaviour on flights
- In 2022, IATA reported 1 flight disrupted every 568 flights
- In 2023, IATA reported 1 flight disrupted every 480 flights
- Incidents reported range from verbal abuse to physical fighting

Employee wellbeing

August 2024

A British man has been handed a one-year suspended prison sentence for sexually assaulting an air steward on a flight to Spain.
